

Stud Service Contract

Stud dog: UCI International Champion Montego Absolute Truth "Tristan"

I hereby contract for the following bitch:

Name: _____

AKC# : _____

OFA# or PennHIP: _____

Name and address of owner:

Phone: _____

E-mail: _____

Requirements:

1. **Recent Brucellosis Test** (within 2 weeks). Please provide paperwork from a licensed veterinarian. Note: This test may take a few days for results to come back so test at first sign of heat (or sooner).
2. Must be current on rabies and annual booster vaccination.
3. Female must be at least 2 years old.
4. Must be AKC registered golden retriever and an approved female by breeder.
5. Tristan can be bred to American Goldens that meet the above requirements, but puppies are to be sold as limited registration only.
6. Full registration for puppies from English Cream females who are OFA good or PennHIP 60% or better with eye and heart clearances.
7. Owner of female cannot be involved in any way in breeding goldendoodles.

Based on the above criteria, litter will be:

_____ Full Registration

_____ Limited Registration

Fees:

1. Service fee is \$2500 if 5 or less puppies are produced or \$3500.00 if 6 or more puppies are produced. Any related vet fees for progesterone testing, AI, etc. are additional.

Payment is to be divided into three payments:

--\$500.00 non-refundable at time of service

--half of remaining stud fee at time of puppies birth

--final payment of stud fee at the time of puppies registration (no later than puppies reaching 6 weeks of age)

Note: If shipping chilled sperm, owner of female will be responsible for collection fees from vet and shipping of semen. There is no guarantee of success due to the complexity involved.

2. The owner of female identified above agrees on this date _____ (initial _____) that the stud fee must be paid in full to the stud dog owner before the AKC litter application will be signed.

NOTE: The American Kennel Club takes the position that the owner of the sire is required to sign an application to register a litter certifying only to the fact that a particular dam was bred to the sire identified on the Litter Registration Application form on a specified date of mating, unless there is an agreement signed by all parties concerned in which it is specifically set forth that the owner of the sire is not obligated to sign an American Kennel Club litter registration application for until such time as the stud fee has been paid.

3. Boarding of 7 days is included in the stud fee. Owner of female must provide food for the duration of the stay.
4. We have the following options for breeding your female.
 - a. Artificial Insemination(AI) at our vet with live semen (we do not do natural ties with our males). You will be financially responsible for any progesterone testing (for breeding timing) and also for the AI. We recommend breeding 2-3 times. The total fee for 3 AI's is around \$300.00. This is to be covered by the owner of the female.
 - b. We can ship chilled semen. The cost to ship this (collection and shipment) is around \$400.00. This is to be covered by the owner of the female.

Guarantee:

The owner of the stud dog will only charge the full stud fee if at least two puppies are born. In the case of the bitch not conceiving, the only fee will be the \$500.00 initial payment, and any vet fees related to the breeding. If only one puppy is born the total stud fee will be reduced in half.

Disclaimer:

Owner of female will not hold owner(s) of stud dog liable for the loss or injury of their golden retriever or for any medical problems in the resultant litter. Owner of the stud dog will not be held responsible to any injury sustained during the mating process.

Both parties are in agreement to the above contract:
